DETAILED ACTION

Allowable Subject Matter

Claims 1-12 are allowed.

The following is an examiner's statement of reasons for allowance: With respect to independent claims 1 and 8, there is simply no evidence in the prior art teaching or making obvious a connector housing with a cover in which a canopy part and an annular circumferential wall are integrally formed by a fire retardant resin filled with glass filler, the annular circumferential wall part that is provided with annular groove in which a sealant is inserted and plural screw holes located at the outside of the annular groove and which an annular protrusion in the base snaps into and where the electronic substrate is held between the annular wall and base, as in the claimed combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
